

Before Starting the Project Listings for the CoC Priority Listing

The FY 2017 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2017 CoC Program Competition NOFA.

The FY 2017 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2017 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2017 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2018 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2017 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$0				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
This list contains no items				

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2017 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Instructions:

For guidance on completing this form, please reference the FY 2017 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: Cobb County New Renewal
Grant Number of Reduced Project: GA0108L4B061609
Reduced Project Current Annual Renewal Amount: \$439,956
Amount Retained for Project: \$389,956
Amount available for New Project(s): \$50,000
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

During the rating process, projects were ranked on several factors including: rating scores, missed application deadline, whether all funds awarded were expended during the most recently completed operating year (year that ended at least 90 days prior to scoring). This project application was submitted to the CoC 1 day after the deadline for submission had past. The Non-Conflicted Rating and Ranking Panel recommended accepting the application as it provides vital PH for persons with mental illness. It was ranked at the bottom of Tier 1 straddling the line of Tier 1 and Tier 2 because of the late submission. It was selected for partial reallocation because of unexpended funds for the last three years. The project applicant was notified on September 13, 2017 that it was being reduced.

5. Reallocation - New Project(s)

Collaborative Applicants must complete each field on this form that identifies the new project(s) the CoC created through the reallocation process.
