2A. Project Detail

1a. CoC Number and Name: GA-506 - Marietta/Cobb County CoC
1b. Collaborative Applicant Name: The Center for Family Resources

2. Project Name: GA-506 CoC Planning Application FY2018

3. Component Type: CoC Planning Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with the provisions of 24 CFR 578.7.

Funding will be used to support part-time staff to assist the Collaborative Applicant and CoC accomplish the duties assigned by HUD, including coordinating the implementation of a housing and service system within the CoC that meets the needs of the planning for and conducting a biennial point-in-time count of homeless persons within the CoC, conducting an annual gaps analysis of the homeless needs and services available within the CoC, preparing information required to complete the Consolidated Plan, consulting with state and local government Emergency Solutions Grants program recipients on the plan for allocating ESGP funds, and evaluating the performance of ESGP program recipients and sub-recipients. As the role and responsibilities of the CoC have increased considerably over the past few years, it has become increasingly difficult to accomplish these responsibilities with only volunteers. Staff is necessary to move these projects forward in a timely manner and meet HUD goals. High priority goals for the upcoming year include 1) monitoring and improving the Coordinated Entry process; coordinating the provision of CE training to the community; 2) project monitoring and evaluation; 3) continued work on gaps analysis of homeless needs and services resulting in a plan to develop additional resources to meet the identified needs; 3) planning and conducting the point in time count; and 4) preparation and submission of the Collaborative Application. Staff will also support the Board of Directors.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

Proposed Schedule 2019-2020:

- First quarter – Support Point in Time Count activities and Housing Inventory update; participate in monitoring and evaluation activities of current projects; assist in planning, coordinating, and attending meetings of the CoC Board of Directors, Coordinated Entry, Monitoring, and other committee meetings; assist in planning and coordinating the CoC General Membership meeting; participate on HMIS Steering Committee for statewide implementation; coordinate and support CE trainings.
- Second quarter – Assist in planning, coordinating, and attending meetings of the CoC Board of Directors, Coordinated Entry, Monitoring, and other committee meetings; assist in monitoring, evaluation, and Coordinated Entry activities; coordinate and support CE and CoC training activities; participate on HMIS Steering Committee for statewide implementation; attend training events
- Third quarter – Assist in planning, coordinating, and attend meetings of the CoC Board of Directors, Coordinated Entry, and other committee meetings; assist in monitoring, evaluation, and Coordinated Entry activities; plan and coordinate CoC General Membership meeting; prepare and submit the Collaborative Application to HUD; provide information necessary for the update

of the Consolidated Plan; attend NAEH National Conference on Homelessness and other training opportunities.

- Fourth quarter - Assist in planning, coordinating, and attending meetings of the CoC Board of Directors, Coordinated Entry, and other committee meetings. Plan for annual PIT Count and HIC update; Coordinate General Membership meeting

The Collaborative Applicant, The Center for Family Resources, will employ and manage the day to day activities of staff. Indirect supervision will be provided by the CoC Board of Directors. The CoC Planner will provide reports on progress in completing the assigned benchmarks at each bi-monthly meeting of the Board of Directors and at meetings of the full CoC membership.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested funds will allow the Collaborative Applicant to employ part-time staff dedicated to accomplishing the work of the CoC which will include evaluating the outcome of CoC and ESG projects. The CoC currently relies on volunteers from the CoC membership or staff assigned by member organizations to accomplish the duties of the CoC. Since CoC duties are not the primary responsibility of these volunteers, work is often slow or not as comprehensive as could be accomplished with dedicated staff. As the responsibilities of the CoC have increased over the past few years, it has become increasingly difficult to accomplish these responsibilities with only volunteers. Staff is necessary to move these projects forward in a timely manner and meet HUD goals.

4. How will the planning activities continue beyond the expiration of HUD financial assistance?

The CoC will continue to seek additional sources of funding, both public and private, to support the work of the CoC. The CoC's Board of Directors will continue to work with the local CDBG program office, Cobb County government officials, Board of Commissioners, private foundations and funding sources to identify potential funding.
