

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

The rental occupancy rate in our Community is over 90%. The process of locating vacant units and landlords willing to work with clients who have significant housing barriers continues to be a slow process.

## Renewal Grant Consolidation Screen

**HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

**1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition?** Yes  
 If “No” click on “Next” or “Save & Next” below to move to the next screen.

This project provides Rapid Rehousing for homeless families coming from the street or shelters. Short-term tenant-based rental assistance and supportive services are provided for up to 3 months to assist families to obtain and remain in permanent housing. Assistance is limited to a maximum of \$3,000 per household. Participants share in the cost of their rent based on their ability to pay, so that the minimum amount of assistance necessary to maintain housing stability is provided. The project participates in the CoC's Coordinated Entry process. Case managers assist participants to make appropriate housing choices supported by their budget and to negotiate a lease. Rent reasonableness tests, lead-based paint certifications, and habitability standards are conducted prior to the client signing a lease. CFR utilizes a strengths-based program model to assist families to develop skills and resources leading to greater self-sufficiency and housing stability. Case management plays a central role in helping participants develop residential stability. Participants are required to meet with the case manager at least once per month and to establish short and long-term goals to address their housing stability. Participants are highly encouraged to participate in CFR's employment program which offers unemployed or underemployed participants assistance with resume development, job search skills, computer skills, GED, etc. Assistance with the cost of day care, transportation costs, mental, and/or physical health care may be provided as needed. Participants are encouraged and assisted to access all eligible mainstream benefits to increase income and stability. Life skills classes provide training on landlord/tenant issues, budgeting, communication skills, parenting, and other consumer issues. All beds in the project are covered by HMIS. CFR follows all Cobb CoC HMIS and GAHMIS guidelines. We anticipate this consolidated project will serve approximately 30 families, 100 persons during the grant term.
