

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** No

**Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.**

The APR in Sage for the most recent expiring Grant (GA0109L4B061609) was not accessible to be completed at the time the APR was due. The local HUD office was notified of this situation and as the HMIS Lead we asked for assistance on how to resolve this matter. Just recently this APR Grant (GA0109L4B061609) appeared in Sage to be completed. The APR was completed and recently submitted.

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** No

**Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.**

DCA on behalf of GHFA does not receive the Cobb HMIS Project grant agreement until the 3rd Quarter of the grant term. Therefore, the first two quarters no drawn down occurs.

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

A reimbursement request for this grant was inadvertently applied to the Cobb HMIS Expansion Grant. This error was discovered well after the 90 days past the grant expiration.

## **Renewal Grant Consolidation Screen**

**HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No**  
**If “No” click on “Next” or “Save & Next” below to move to the next screen.**

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

The Marietta/Cobb CoC is part of the Georgia regional ClientTrack HMIS implementation, which includes all but one of Georgia’s CoCs. This grant funds a part-time Cobb HMIS Coordinator who provides technical assistance to Cobb HMIS users, monitors data quality, and is involved in all aspects of agency and CoC report generation. This includes review of data for each agency’s APR, preparation and submission of the PIT, HIC, AHAR and System Performance Measures as well as providing data for the CoC application.

The Coordinator facilitates a bi-monthly Cobb User Group, providing ongoing HMIS and data quality training (using results from data monitoring) as well as information about new ClientTrack modifications and HUD requirements. Training provided at the User Group builds on and supplements the basic User and Reports training that is provided by the HMIS vendor (Eccovia Solutions) and the Lead Agency (GHFA). The User Group also serves as a forum for homeless service providers to coordinate service delivery and discuss specific Cobb data input policies that enable us to have consistency of data across the CoC.

The HMIS Coordinator works in conjunction with the HMIS Lead and the GAHMIS System Admins to provide HMIS technical support to all users within the CoC. This requires remaining up-to-date on HUD’s and Federal Partner’s HMIS requirements and, as more programs require the use of HMIS, providing technical assistance to a growing group of users.

Additionally, the Coordinator participates in the CoC’s Coordinated Assessment planning, CoC project monitoring, and developing rating and ranking policies annually for the NOFA process. The Coordinator attends the Cobb CoC Board meetings and provides expertise on data-related issues. The Coordinator is one of two representatives from the Cobb CoC on the statewide Georgia HMIS Steering Committee.

The following information summarizes the funding request for the total term of the project. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
