The Center for Family Resources

Report on the Financial Statements

We have audited the accompanying financial statements of **The Center for Family Resources** (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Center for Family Resources as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion of the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report, dated April 30, 2018 on our consideration of The Center for Family Resources' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Center for Family Resources' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Center for Family Resources' internal control over financial reporting and compliance.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Activities:

The Center for Family Resources (the "Organization") is a non-profit entity which provides comprehensive services and opportunities for homeless and low income individuals and families primarily in Cobb County, Georgia to improve their lives and increase their economic capacity by offering education and employment services, housing services, direct financial resources, and community building programs. For the years ended December 31, 2017 and 2016, the Organization was dependent on federal, state, and local funding for 41% and 29% of its revenues, respectively.

Significant Accounting Policies:

The significant accounting policies adopted by the Organization are set forth below:

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Codification. Under the Codification, the Organization is required to report information regarding its financial position and activities according to the three classes of net assets, unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, based on stipulations made by the donor.

Basis of Accounting

The Organization's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America on an accrual basis. Consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant Accounting Policies: (Continued)

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Organization did not have cash equivalents at December 31, 2017 and 2016. Cash consists of cash held in checking and money market accounts. Cash balances are maintained with financial institutions which are insured by the Federal Deposit Insurance Corporation. Balances exceed insured amounts from time to time. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash.

Net Assets

The Organization distinguishes contributions received as increases in unrestricted, temporarily restricted, or permanently restricted net assets. The Organization also recognizes the expiration of donor-imposed restrictions in the period in which the restrictions expire. A definition of the above net asset categories is as follows:

Unrestricted Net Assets

These net asset amounts are not restricted by donors or the donor-imposed restrictions which are used to account for resources available to carry out the purposes of the Organization in accordance with the limitations of its bylaws. Board designated net assets are unrestricted, but are designated by the Board of Directors to be used for specific purposes. As of December 31, 2016, the Board of Directors had designated net assets of $98,592, representing a six-month debt service cash reserve for the Organization's note payable (see Note 6). There were no designated net assets as of December 31, 2017.

Temporarily Restricted Net Assets

These net assets are subject to donor-imposed restrictions that may be met either by the actions of the Organization or the passage of time.

Permanently Restricted Net Assets

These net assets are permanently subject to donor-imposed restrictions. There are no permanently restricted net assets at December 31, 2017 and 2016.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant Accounting Policies: (Continued)

Contributions

The Organization reports gifts of cash and other assets as restricted support if they are pledged or received with donor stipulations that limit the use of the donation. When a donor restriction expires, that is, when a specified period of time passes or a purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statements of activities as net assets released from restriction.

Contributions receivable over more than one year are recorded at their discounted present value. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. All long-term contributions receivable at December 31, 2017 and 2016 are due in one to five years.

Contributed assets such as equipment, other assets, and marketable equity securities acquired by gift are recorded at fair market value when the Organization obtains possession or an unconditional promise to give. Contributed professional services, such as marketing, phone service, and catering, are reflected in the financial statements. The fair value of these recorded professional services has been estimated to be $20,306 and $21,620 for the years ended December 31, 2017 and 2016, respectively, and is included in contributions and expenses in the statements of activities. A substantial number of volunteers have donated their time to the program services and fund-raising campaigns of the Organization. However, no amounts have been reflected in the financial statements for volunteer services because the criteria for recognition of such volunteer effort under the FASB codification have not been satisfied. If donated services received either create or enhance non-financial assets or require specialized skills which would need to be purchased if not donated, the value of those donated services would be recorded in accordance with the FASB codification.

Revenue Recognition

Revenue is recognized in the period when earned. Deferred revenue represents cash received that is to be earned in future periods. Grant revenue is recognized as revenue in the period earned. Unconditional promises to give are recognized as revenue or gains in the period received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant Accounting Policies: (Continued)

Allowance for Doubtful Pledges

The allowance for doubtful pledges receivable is based on specifically identified amounts that the Organization believes to be uncollectible.

Land, Building and Equipment

Land, building and equipment is recorded at historical cost or at fair market value at the date of gift, if donated. Expenditures for renovations and improvements that improve or extend the life of the respective assets are capitalized and depreciated over time. Expenditures such as maintenance and repairs that do not improve or extend the life of the respective assets are charged to operations as expense. The Organization removes the cost and related accumulated depreciation from the accounts for properties sold or retired. Depreciation is recognized based on the straight-line method over estimated useful lives ranging from 15 to 40 years for land improvements and buildings and improvements and 3 to 8 years for furniture and equipment.

During the year ended December 31, 2016, the Organization sold a condominium that had previously been used in its operations. The difference between the sales price and the net book value resulted in a gain on disposal of $51,336 which is included as an increase in unrestricted net assets on the statement of activities.

Impairment

The Organization periodically assesses whether there are any indicators, including general market conditions, that the value of property and equipment (including assets held for sale) may be impaired. Property and equipment is considered impaired only if the estimated undiscounted cash flows from operating and disposing of the property over its remaining estimated useful life are less than the net carrying value of the property and equipment. To the extent impairment has occurred, the carrying value of the property is adjusted to an amount to reflect the estimated fair value of the property. For the years ended December 31, 2017 and 2016, the Organization did not have any impairment losses.

Income Tax Exemption

The Internal Revenue Service has determined that the Organization is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3). Accordingly, no provision for income taxes has been made in these financial statements.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant Accounting Policies: (Continued)

Income Tax Exemption (Continued)

Management of the Organization considers the likelihood of changes by taxing authorities in its exempt organization returns and discloses potential significant changes that management believes are more likely than not to occur upon examination by tax authorities. Management has not identified any uncertain tax positions in filed returns that require disclosure in the accompanying financial statements.

The Organization files Form 990 in the U.S. federal jurisdiction and the State of Georgia.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited as required by the FASB Codification.

Recent Accounting Pronouncements

During the year ended December 31, 2017, the Organization adopted the provisions of ASU 2015-03, *Simplifying the Presentation of Debt Issuance Costs*. The provisions of ASU 2015-03 require that unamortized debt issuance costs be presented as a direct deduction from the associated outstanding debt liability in the financial statements. Also, amortization expense of the debt issuance costs is classified with interest expense in the financial statements under the ASU. The effects of the application of ASU 2015-03 have also been applied retrospectively as of and for the year ended December 31, 2016. Notes payable as of December 31, 2016 was previously reported on the balance sheet as $2,158,076 with the associated $10,605 of unamortized debt issuance costs included as an other asset.

In August 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update 2016-14 (ASU 2016-14), *Presentation of Financial Statements of Not-for-Profit Entities*. The amendments in this update require changes to the way not-for-profit entities present their financial statements. ASU 2016-14 is effective for annual financial statements issued for fiscal years beginning after December 15, 2017. Earlier adoption is permitted. Management of the Organization is currently evaluating the effects of ASU 2016-14.

NOTE 2. PLEDGES RECEIVABLE

In previous years, the Organization conducted a capital campaign for funds to renovate the Organization's facility. Pledges are restricted to payment of these renovation costs. Pledges receivable to be received after December 31, 2017 and 2016, respectively, are discounted using a 3% risk-free interest rate. As of December 31, 2017 and 2016, the Organization has unconditional promises to give as follows:

	2017	2016
Unconditional promises to give before discount and allowance for uncollectible pledges	**$ 217,207**	$ 229,539

NOTE 3. UNEMPLOYMENT TRUST AGREEMENT

In 2005, the Organization entered into a trust agreement with an unemployment services agency as a method to meet its unemployment compensation claim obligations to the State of Georgia. Under the agreement, the Organization is required to make quarterly contributions at a predetermined rate based on unemployment taxable wages. The Organization may revoke its participation in the trust upon written notice at which time it shall receive its proportionate share of the assets of the trust, less any unpaid expenses, claims, or liabilities.

NOTE 3. UNEMPLOYMENT TRUST AGREEMENT (Continued)

The outstanding balance on the line of credit at December 31, 2017 and 2016 was $125,000 and $125,000, respectively. The line of credit matures in July 2018, with any outstanding principal plus any accrued interest due upon maturity. Interest accrues at a fixed rate of the Wall Street Journal prime plus 1.00% (5.50% at December 31, 2017), and is payable monthly. The line of credit is secured by real estate.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
The Center for Family Resources
Marietta, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Center for Family Resources, which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 30, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Center for Family Resources' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion of the financial statements, but not for the purpose of expressing an opinion of the effectiveness of The Center for Family Resources' internal control. Accordingly, we do not express an opinion of the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that nave not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Center for Family Resources' financial statements are free from material misstatement we performed tests of its compliance with certain provision of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
The Center for Family Resources
Marietta, Georgia

Report on Compliance for Each Major Federal Program

We have audited The Center for Family Resources' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of The Center for Family Resources' major federal programs for the year ended December 31, 2017. The Center for Family Resources' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of The Center for Family Resources' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Center for Family Resources' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of The Center for Family Resources' compliance.

Opinion on Each Major Federal Program

In our opinion, The Center for Family Resources complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Report on Internal Control Over Compliance

Management of The Center for Family Resources is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered The Center for Family Resources' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Center for Family Resources' internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
