

thanks FOR giving

I'M THANKFUL FOR...

The Center for Family Resources is thankful for the ability to serve our community and support families in need.

Tell us what you're thankful for this holiday season and donate today to support a family in your community. We believe that Thanks for Giving is an opportunity for families to create and continue family traditions, to gather with their loved ones and to give thanks in a way that is meaningful to them. Help us ensure that Thanksgiving traditions continue for families this season.

The CFR believes that building strong families helps build strong communities. **We find that helping others is what we are always most thankful for.**

FAMILY TRADITIONS

For more than 35 years, the Center for Family Resources has been providing families in Cobb county with food for Thanksgiving, but we believe that Thanks for Giving is more than a meal. It is an opportunity for families to create and continue family traditions, to gather with their loved ones and to give thanks in a way that is meaningful to them. **Help us keep family traditions in the family and bring hope home for the holidays.**
