

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;

- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2021 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

3. Reallocation - Grant(s) Eliminated

CoCs that are eliminating eligible renewal projects must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$324,893

4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2021 reallocation process. Refer to the FY 2021 Grant Inventory Worksheet to ensure all information entered is accurate.

Reduced Project Name: Multi-Agency Group RRH
Grant Number of Reduced Project: GA0308L4B062005
Reduced Project Current Annual Renewal Amount: \$467,530
Amount Retained for Project: \$142,637
Amount available for New Project(s): \$324,893
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

This project had been a partnership of three organizations that provided RRH to families with dependent children and victims of domestic violence. The partners decided to dissolve the partnership. The grantee requested the CoC partially reallocate the project in order to create funding for other needed projects. HUD had recaptured funds from this project for the past several years due to the barriers of finding available units and clients who were unable to qualify for a lease. The project was also the lowest scoring RRH project. The applicant was notified of the reduction by email on October 28, 2021.
